Supporting Success for Adult Learners

Friday, February 12 (8:30-4:30) and Saturday, Feb. 13 (9-1)

In this day and a half workshop sponsored by the **Tarrant Literacy Coalition**, we will examine learning difference, difficulty, and disability issues that impact learners in our adult literacy programs. Reflecting current research and resources for all adults, we will examine standards and strategies as we focus on ways to support success for all learners. Watch **Tarrant Literacy Coalition** bulletins for registration information.
